SUMMER GIFT CATALOGUE 2023

CORPORATE GIFTS THE EASY WAY

Let Gourmet Direct do the thinking with your corporate gifts this year. Delight your staff and clients with gifts that are designed to share with the whole family, meal after meal.

We specialise in contactless delivery of stunning gift hampers that make holidays truly memorable. No job is too big or too small for our Christmas Elves to handle.

GIFT VOUCHERS AND CARDS

Gourmet Direct can create customised gift vouchers. These can be sent to your gift recipients to be redeemed online or at our Ahuriri Shop within 2 years. Enquire now.

DELIVERY AND FREIGHT

Gourmet Direct gift packaging is eco friendly and contains ice to ensure food safety. Products are vacuum packed for maximum shelf-life, making them ideal to take on holiday, or to put in the freezer.

NATIONWIDE DELIVERY

We offer nationwide delivery to individual addresses or in bulk to one address. You will need to nominate an urban delivery point for gift recipients at rural addresses.

FREIGHT IS NOT INCLUDED

Pack prices do not usually include freight, which is added at current rates for individual deliveries or on application for bulk deliveries.

100% QUALITY GUARANTEED

We maintain strict standards when it comes to product procurement. Our products carry a 100% money back guarantee. In the unlikely event that your recipients are not completely thrilled with their Gourmet Direct gift, we will happily replace the product or refund your money.

PLEASE NOTE:

Pack prices include GST and exclude freight. All product pack weights are approximate.
