GIFT CATALOGUE 2024

CORPORATE & PERSONAL GIFTS THE EASY WAY
Let Gourmet Direct do the thinking with your corporate and personal gifts this year. Delight your staff, clients or family with gifts that are designed to share, meal after meal. We specialise in contactless delivery of stunning gift hampers that make holidays truly memorable. No job is too big or too small for our Christmas Elves to handle.

GIFT VOUCHERS AND CARDS
Gourmet Direct can create customised gift vouchers. These can be sent to your gift recipients to be redeemed online or at our Ahuriri Shop within 2 years. See example below.

DELIVERY AND FREIGHT
Gourmet Direct gift packaging is eco friendly and contains ice to ensure food safety. Products are vacuum packed for maximum shelf-life, making them ideal to take on holiday, or to put in the freezer.

NATIONWIDE DELIVERY
We offer nationwide delivery to individual addresses or in bulk to one address. You will need to nominate an urban delivery point for gift recipients at rural addresses.

FREIGHT IS NOT INCLUDED
Pack prices do not usually include freight, which is added at current rates for individual deliveries or on application for bulk deliveries.

100% QUALITY GUARANTEED
We maintain strict standards when it comes to product procurement. Our products carry a 100% money back guarantee. In the unlikely event that your recipients are not completely thrilled with their Gourmet Direct gift, we will happily replace the product or refund your money.

PLEASE NOTE:
Pack prices include GST and exclude freight. All product pack weights are approximate.
